# AWARD

- 1. Central Government, MoL, New Delhi vide notification no. L-41012/19/2011-IR (B-1) dated 11.11.2011 has referred the following dispute for adjudication to this tribunal.
- 2. Whether the demand of the Union, Rashtriya Chaturath Shreni Rail Mazdoor Congress (INTUC) U.P. for appointment of Shri Bahadur Singh son of late Sri Phool Singh on compassionate ground is legal and justified? To what relief Sri Bahadur Singh is entitled?
- 3. The case of the Union as set on behalf of the claimant Sri Bahadur Singh son of Sri Phool Singh resident of 66/4A, Nairpura Shahganj Agra, is that he is the son of deceased railway employee Sri Phool Singh who died in harness on 30.07.95. At the time of the death of deceased employee he was having one son only and was minor and became major on 12.10.2000 being his date of birth as 12.10.82. Soon after Sri Raj Bahadur attained the age of majority, his mother Smt. Kishan Devi applied for his employment in the railway on compassionate ground, but he was not provided any employment by the railway on one pretext or the other. It is also alleged that Bahadur Singh the claimant is class 8<sup>th</sup> pass and at the time of attaining the age of majority dependant of railway employee having class 5<sup>th</sup> pass was eligible for obtaining railway employment on compassionate ground. It is further alleged that the present claim is not time barred as the mother of the claimant had applied for compassionate appointment soon after claimant attained the age of majority. The claimant possesses all such qualification and eligibility as is required for compassionate appointment.

- 4. On the basis of above, union has prayed that the claimant is entitled for compassionate appointment under the railway administration, therefore, the claim of the union be allowed and the claimant be provided employment under the railway administration on compassionate ground.
- 5. Union along with the claim petition has also filed certain documents in the shape of photocopies which shall be considered at the appropriate stage.
- 6. Opposite party railway management has refuted the claim of the union in to. However, it is admitted to the party that deceased father of the claimant Sri Bahadur Singh was died on 30.07.95 while in railway service. It is also admitted by the management that late Phool Singh was working under PWI Agra and rest of the allegations pleaded in para 2 of the claim petition are denied. By way of additional plea it has been pleaded by the opposite party that after the death of railway employee Sri Phool Singh Sri Bahadur Singh had applied for compassionate appointment on 29.08.01, in which he had declared his educational qualification as class 8<sup>th</sup> pass and mentioned his date of birth as 12.10.82. Therefore, in continuation of process to provide compassionate appointment, railway administration got verified the documents from Zila Basic Shiksha Adhkari Agra and according to the report submitted by the said authority Bahadur Singh it transpired that Sri Bahadur Singh received his education from Smt. Kokila Devi Junior High School K.B.Nagar kheriya Mond and in record of the school Sri Bahadur Singh had passed class 8th in the year 1999 and at SR 1535 there is an entry regarding Bahadur Singh son of Phool Singh in which date of birth of Bahadur Singh is written as 12.02.86, which was scored out to read as 12.10.82 and as this was illegal therefore, Transfer Certificate was not certified. Therefore, railway administration via letter dated 28.05.04 informed the reason to the claimant as to why he could not be provided employment on compassionate ground. As the application of Bahadur Singh was received by the railway administration on 03.09.01 for compassionate appointment and at present the minimum qualification for providing employment of compassionate appointment is class 10<sup>th</sup> pass. Besides the above Phool Singh again submitted a letter dated 12.01.05 purported to have been issued by Zila Basic Shiksha Adhikari on which the principal Smt. Kokila Devi Junior High School K B Nagar Agra have been verified stating that the date of birth of Bahadur Singh is 12.10.82, which was again sent for verification to Zila Basic Shiksha Adhikari, Agra who submitted his report on 16.03.05 informing that letter dated 12.01.05 is forged one.
- 7. On the basis of above it has been prayed that the claim of the claimant /union is devoid of merit and is liable to be rejected.
- 8. Rejoinder has also been filed but nothing new has been mentioned therein.
- 9. Worker vide application dated 29.12.14 has also filed 7 documents in original.
- 10. Management has filed affidavit in evidence of one Manmohan and together with affidavit certain documents have also been filed.
- 11. Worker has examined himself as W.W.1 whereas management has examined M.W.1.
- 12. Management has filed 11 papers through list 13/2-3.
- 13. I have heard arguments of both the parties representative and perused the record.
- 14. Worker Bahadur Singh has examined himself as WW1 and deposed that his father was working as gang man in railway, who died on 30-07-1995 during his service period. At that time he was minor boy when he became major he and his mother has given an application for his appointment on compassionate ground. In his family there is no body in government service and he is himself unemployed and his mother is getting 5000 per month which is spent in her treatment. His date of birth is 12.10.1982. In his cross examination he has alleged that he does not do any private work and deposed that he started his education in kaushalia Devi school and passed 8 from kokila devi and there after he appeared in high school from Faizan inter college when he was admitted to school his date of birth is mentioned as 12.10.1982 and at present he is 32 of age and he is married. His father was posted in RoonKatta, Agra. After death of his father his mother has applied for service in 2000. He does not know what order was passed on her application. He received letter from railways that he was not appointed then he has filed this case. He further alleged that he appeared in high school in 2002. He studied in Kaushaliya devi school upto class 8 then he took admission in Kokla devi. He studied till class 5 in Acharya Vinobha Bhave School thereafter he took direct admission to 8 class in kokla devi school his date of birth is mentioned as 12-10-1982.
- 15. He further deposed that railway has given reason for not appointing him due to mentioning wrong date of birth. He has denied that he has mentioned his date of birth 12-10-1986 from class 1 to class 8 and afterward making cutting it was done to 12.10.82.
- 16. On behalf of management MW1 Manmohan has been examined who has admitted the fact in his affidavit filed in evidence that late phool singh was working in Agra as gangman who has died 30.07.1995 thereafter Bahadur Singh

has given application for appointment on compassionate ground on 29-08-2001 wherein he has shown his date of birth 12-10-1982 and education 8 pass is mentioned which was verified by B.S.A, Agra who has submitted his report that Phool Singh has passed class 8 from Kokla Devi Junior School where his date of birth was mentioned as 12-02-1986 which was made 12.10.1982 after cutting. He further mention that vide letter date 4-12-1998 educational qualification for group 'D' is class 8 pass. In his cross examination MW1 Manmohan has deposed that it is correct that mother of Bahadur Singh has given application for his son 29-08-2001. He further admitted that after receiving application it was sent to welfare inspector for inquiry. He does not remember whether his application is send to welfare inspector in 2003 or not. As for his knowledge his record of class 5 and class 8 was given. He further admitted that there is provision for appointment on compassionate ground. He was not appointed because date of birth was found forged as per report of B.S.A. He further admitted that report of B.S.A paper no. 3/9 was received in the office. He further admitted that in 2001 minimum qualification for appointment on compassionate ground was class 8 which is at present is high school and therefore his mark sheet for class 8 was sent for verification when it was found that there is cutting in mark sheet of class 8, his mark sheet of class 5 is not sent for verification.

- 17. From above evidence it is made clear that in 2001 when Shri Bahadur Singh has applied for his appointment on compassionate ground, the minimum qualification was prescribed as class 8 pass and Shri Bahadur Singh has submitted his mark sheet, TC of class 5 and class 8 in which after inquiry from B.S.A it is found that manipulation in date of birth was made and thereafter his application for appointment is rejected vide letter of D.R.M, Jhansi dated 07-04-2005 which is paper no. 12/11 and 13/15.
- 18. From perusal of record it is appear that B.S.A Agra has submitted different reports in different dates and finally applicant Bahadur Singh has approached Hon'ble Minister for further verification of date of birth of Bahadur Singh. The copy of report file by Bahadur Singh by 3/9 and by management is paper no. 13/18. MW1 Manmohan has also admitted in his evidence that this report is received by him. Shri S.P Jaiswal, B.S.A Agra has submitted his report to DRM, Jhansi 10-11-2008 and copy of it was given to P.A of Hon'ble minister and another copy was given to Bahadur Singh. This report appears to be final and there is no report against it filed by management. In this report B.S.A found after verification of documents that date of birth of Bahadur Singh is mentioned as 12-10-1982 in registers of Acharya Vinobha Bhave Junior high school and T.C of class 8 could not be verified because Kokla Devi School was closed from last 2 years. Beside this management has also filed copy of mark sheet of high school reading to Bahadur Singh where in date of birth of Bahadur Singh was mentioned as 12-10-1982 and as per his mark sheet Bahadur Sigh has failed in high School. Worker has also filed original of his mark sheet of high school by paper no 11/6 which was also read as date of birth as mentioned is 12-10-1982 beside this worker has filed original certificate dated 06-01-2009 by paper no 11/8 in which also date of birth of Bahadur Singh is mentioned as 12-10-1982.
- 19. As regard to date of birth of Bahadur Singh B.S.A Agra in his final report has found date of birth of worker to be 12.10.1982 and verified the mark sheet and T.C of class 5. It is true that a person can appear in High school examination if he has passed class 8. As worker has appeared in class High School it can be very well presumed that he must passed class 8 as alleged by him although mark sheet & T.C of class 8 could not be verified by B.S.A in his last report dated 10-11-2008 due to closure of Kokla Devi School. This also cannot be against Bahadur Singh and no adverse inference can be taken as nothing is said about passing of class 8 from Kokla Devi School.
- 20. Authenticity of Date of Birth is always determined by High School mark sheet or certificate and whatever date is given in high school can be treated to be correct and is acceptable for any purpose and person can appear in high school only if he has passed class 8. Therefore under these circumstances it is found that date of birth of Bahadur Singh was 12-10-1982 and he was class 8 pass at the time when he has applied for his appointment on compassionate ground and management without considering the last report of B.S.A Agra dated 10.11.2008 and without considering that in his high school mark sheet date of birth given 12-10-1982 of Bahadur Singh should be believed, committed illegality in rejecting application of Bahadur Singh for his appointment on compassionate ground.
- 21. For the reasons given above the demand of Union Rashtriya Chaturath Shreni Mazdoor Congress (INTUC), UP for appointment of Bahadur Singh, son of late Phool Singh on compassionate ground is legal & justified and Shri Bahadur Singh is entitled to get employment on suitable post on compassionate ground. The railway administration is directed to give suitable job to Bahadur Singh within two months from the date of publication of this award.
- 22. Reference is decided accordingly.

## **AWARD**

Passed on this 26<sup>th</sup> day of June 2017

- 1. As per letter dated 9-3-93 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-22012/189/91-IR(C-II). The dispute under reference relates to:
  - "Whether the action of the management of SECL, New Jhimar Colliery, Hasdeo Area (MP) in not regularizing the services of Shri Shankar and 11 others, water carriers engaged by the contractor is legal and proper? If not, to what relief the workmen are entitled to?"
- After receiving reference, notices were issued to the parties. On behalf of Ist party workman Shankar submitted statement of claim at Page 4/1 to 4/6. Case of 1st party MPKMS (HMS) Union is that SECL is undertaking of Government of India. Government controls the company and as such it is state under Article 10 of the constitution. That Shankar and 60 others were engaged by management of Ramnagar Sub Area of Hasdeo Area of SECL and water mazdoor. Union raised dispute before ALC, Shahdol requesting that the workman be declared as works of the company and grant salary and other benefits at par with regular employees. Management in reply denied that the workers were workers of the company and contented that workers were of contractor. Union had submitted rejoinder contending that there was no contractor. Management has shown one of the workman as contractor. Wages have been paid directly by management to workers. Conciliation proceeding ended in failure. FOC was submitted by ALC, Shahdol. Vide order dated 28-5-92, Government rejected to refer the dispute on the basis that workmen were engaged by contractor. There was no employer employee relationship existing between management and the workers. In miscellaneous petition 266/92, Hon'ble High Court vide order dated 28-1-73 directed Ministry to make reference of dispute. That Shankar and 11 others increased 61 workers were engaged for supply of water as pipeline was not available in Ramnagar colliery for water supply. That those workers performed perennial nature of work. They were performing said duty for years together. They had completed 240/190 days attendance in many year. That under Contract Labour Act 1970, minimum service required to be covered as perennial or regular work, workman have fulfilled minimum service required. It is further submitted that under clause 11.5.0 of NCWA III, & IV, management agreed not to engage

contract labour in permanent and perennial nature of work. Said clause is reproduced in Para 8 of statement of claim. It is further contented that Shankar and others be treated as employees of SECL and consequent benefit be given. That management in order to exploit and deprive workman from benefit of regularization and wages of regular employees had projected one of the workman as contractor. It was not known to either workman projected as contractor. Even otherwise those workmen were engaged for purpose of water supply. As per NCWA, management is bound to supply water at the rate of 15 galons per day. As per provisions of Mines Act 1952, SECL management is bound to maintain Form B Register, attendance register, payment register. The documents are in possession of the management are vital for deciding reference. Management be directed to produce those documents. That initially Union raised dispute before ALC pertaining to Shankar and 1 others. Later on Union received authorization from various other group of workmen and raised number of workers to 61. AlC Shahdol in failure report, mentioned about Union giving list of 61 workers. It is submitted that workmen are directly engaged by management. They work for 240 days/ 190 days during many years. Workers were engaged on permanent/ perennial nature of jobs. As per clause 4.5.0 of NCWA-III, IV, management agreed not to employ contract labours on permanent nature. Workers were paid less wages than prescribed in NCWA. Workers are doing their duties under strict supervision of management. On such ground, Ist party prays that management of SECL be directed to treat those workers as workers of SECL and pay wages and other consequential benefits with 12 % interest.

- 3. 2<sup>nd</sup> party management filed Written Statement at Page 7./1 to 7/3 opposing claim of Ist party. 2<sup>nd</sup> party submits that dispute pertains to Shankar and 11 others who are employed as water carriers through contractor. Reference itself admits the position that Shankar and 11 others are employed as water carriers through contractor. That there was no employer employee relationship between SECL and workers. Job of water carrying is also not regular work requiring to be prformed continuously for all 8 hours. It is done only occasionally for few minutes or hour every day. Claim of Union is not justified. That industrial dispute exists only if payment is made to the management and same is refused by management. It is submitted that Union had never raised demand with management. Demand was never discussed by management, no demand having been made, dispute is not industrial dispute. Reference is liable to be rejected.
- 2<sup>nd</sup> party further submits water supply is done by contractor for domestic use in residential colony. Because of shortage of wager, it was a temporary phase. As soon water supply through pipeline was restored, the system was stopped. For supply of water for domestic purpose, contractors are employed. The claimants in the case were working as water carriers through these contractors. The work doesnot take more than few minutes. Workers simply take water from the river and supply to residential quarters and leave. Payments are made to the contractors based on quantum of water supplied by him. Supply of water takes place in morning and completed within hour or so. Thereafter the claimants were free to perform their duty elsewhere. The management of SECL doesnot have any control over these workers. They were never employed by management. Their work was not supervised by management. Even if they donot attend duty regularly, no action is taken against them. Contractor changes and employs workers as and when required when shortage of water occurs. That supply of water to residential quarter is not an activity concerned with coal mine. It cannot be said that thse workers were employed continuously in connection with mining activities. The job of water supply through contractor is not prohibited category of work. It is reiterated that employer employee relationship doesnot exist. The demand of Union doesnot have merit. 2<sup>nd</sup> party further submits that similar question of regularization of water carriers of pench area WCL was subject matter for adjudication before this Tribunal. In said reference, this Tribunal held that water carriers employed through contractors are not employees of the management and they have no right for regularization in service. Action of management was held justified. Claim for regularization was rejected. That present dispute under reference is identical to said reference. On such ground, 2<sup>nd</sup> party prays that reference be answered in favour of management. That Shankar and 11 others are not entitled to any relief.
- After filing Written Statement, record shows the management also filed rejoinder at Page 8/1 to 8/6 reiterating its contentions in statement of claim. It is denied that Government has absolute control over the company. Company is managed by Board of Directors. That Union cannot take up case of 60 employees. No case of 60 employees was referred for adjudication. The reference is only of 1 employees list given by Union Document No.1. as per schedule of reference, only case of 12 persons are required to be adjudicated. That Shankar and 11 others were engaged by management. That clause 11.5.0 of NCWA not applied to water carrier. It speaks about engaging contract labor in permanent and perennial nature of job. Workers were engaged through contractor. They have no regular hours of work. Their work is only for short duration. It is reiterated that reference pertains to only 12 workers. That General Secretary, NCWA has raised dispute for regularization of 26 persons bearing R/120/94. Union has filed case under Section 33(C)(2) claiming monetary benefits in Case No. C/1/94 Mangal Singh and 31 others. KMS Union also raised industrial dispute in respect of individuals involved in present reference raised by HMS Union ALC, Shahdol had submitted failure report in r/o 48 persons out of said 14 persons, 29 persons are common in present reference. That 3 Unions raised industrial dispute out of which 2 disputes were sponsored by HMS and NCWA are pending before this Tribunal. Industrial dispute in respect of some person already raised have been referred to this Tribunal. That one individual cannot be member of various Union any dispute in respect of one person can only be taken up by one Union and referred once only. That out of 3 separate list being submitted by 3 defence Union, only one person is real claimant

whereas 2 are fake. Corrigendum vide order dated 21-1-02 was received w.r.t. Lallan and 60 workers. The controversy w.r.t. the 3 Union raising dispute separately was heard and vide order dated 19-7-01, my predecessor passed order that present case will continue and R/73/96 is merged with present reference. Union who is representing the R/73/96 may contest reference along with Union in present reference. Question as to who is right union will be decided at time of final hearing. It appears that R/73/96 raised by Secretary, Koyla Mazdoor Sabha. Award was passed on 14-7-16. Even after notice, Union failed to adduce evidence. Reference could not be decided on merit. Though R/73/96 was merged with present reference. As per order dated 19-7-11, question who is right Union was to be decided at the time of final hearing. Union has not adduced evidence how it is competent to raise the dispute.

6. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether Ist party Union has locus-standi to represent Shankar and 11 others/ Lallan and 60 others in present reference?	First party Union can represent Shankar and 11 others only in present reference.
(ii) Whether Ist party workers are employees of management or contractor's employees?	Ist party workers Shankar and 11 others are employees of 2 <sup>nd</sup> party management.
(iii) Whether the action of the management of SECL, New Jhimar Colliery, Hasdeo Area (MP) in not regularizing the services of 61 water carriers engaged by the contractor is legal and proper?	In Negative in respect of Shankar and 11 workers only.
(iv) If not, what relief the workman is entitled to?"	As per final order.

#### **REASONS**

- Point No.1- There is serious controversy between parties whether Ist party Union is competent to prosecute claim of Lallan and 60 others- total 61 workers. In its statement of claim, Union has pleaded that other group of workers had given authorization is mentioned in FOC. There was reference about list of 3 groups of workers submitted in conciliation proceeding. The corrigendum to reference order is received on 21-1-02 by Desk Officer. Reference order R/78/96 issued on 28-2-96. The controversy that corrigendum of reference order is not received from Ministry therefore cannot be accepted. The copy of order are produced in the matter. Government had refused to make reference on the ground employer employee relationship does not exist. Order of Government refusing to make reference was challenged in miscellaneous petition and on direction of Hon'ble high Court, order of reference was made. Only w.r.t. Shankar and 1 others on representation made by Union, corrigendum was issued on 22-1-02. Though learned counsel for management Shri A.K.Shashi submits that objection submitted regarding corrigendum in order of reference was not decided, the reference shows point was decided by my predecessor vide order dated 19-7-11. R/73/96 was merged with present reference. Question as to which is right Union was to be decided at the time of final hearing of the reference. There is no dispute that R/120/94 pertaining to group of 26 employees was decided by the Tribunal on 27-1-2011. Claim related to 26 workers already decided cannot be decided again there was no dispute that R/120/94 was decided in favour of workman was confirmed by Hon'ble High Court in Writ Petition 198/2012 and SLP filed before Supreme Court was withdrawn. Even after award passed by this Tribunal in R/73/96, Union has not taken steps. Award passed in R/73/96 pertains to 48 workers. Claim of those 48 workers whose names are shown in list as per corrigendum in order of reference cannot be adjudicated again as said award has received finality. Union Representative Nathulal Pandey in his argument as well as notes of argument submits that claim of all 61 workers be decided without dealing with the legal aspects. R/73/96 has already been decided. In my considered view claim in R/120/94 relating to 26 employees is already decided and claim of 48 workmen in R/73/96 was decided against workman for their non-participation, Union is competent to prosecute claim of Shankar and 11 others as per original order referred vide order dated 19-3-93. In R/73/96, demand was raised by Secretary Koyla Mazdoor Sabha in respect of 48 workers. It is apparent that their claim cannot be decided again in present reference. For above reasons, I hold that Union is competent to represent Shankar and 1 others as per reference order dated 19-3-93. Accordingly Point No.1 is answered.
- 8. Point No.2 Parties are in serious dispute whether workmen are directly engaged by management or the workmen engaged through contractor whether workmen are employees of management or employees of contractor. Whether employer employee relationship exists between parties. In statement of claim para 3, 1st party pleaded that Shankar and

60 others were engaged by management as water mazdoor. That Union raised dispute claiming workman as worker of company and grant of salary and other benefits at par with regular employees. In para 4 of statement of claim, Ist party pleaded wages were paid directly by management to workers. That there was no contractor. That management had shown one of the workman as contractor. In Written Statement, 2<sup>nd</sup> party management has pleaded workmen were engaged by contractor, there was no employer employee relationship. Wages were paid by contractor. Management had no control on working of the workers. The affidavit of evidence of Lallan Tiwari is devoted on the point that he and other workers were supplying water at quarters per day since 1982 to 2000. Their attendance were marked by ATK Ramesh Gautam and Ganesh Sharma. They were doing work of supplying water. Documents Exhibit W-7 to W-24 are proved from his evidence. In his cross-examination, genuiness of all those documents is not challenged. Only payments made to Lallan, Budhram is brought in his cross examination. Said witness denies that Ramesh Gautam was recording attendance only for regular employees. Witness in his cross examination says that additional water was supplied and was obtained in writing from the concerned and used to be submitted to the Engineer for payment. After submitting the details, bill used to be paid. Charges for additional supply of water was made by the office. Witness denied that if additional supply was made, permission was required from the concerned individual. In Exhibit W-24, 35 paise were paid for one CAVER of water supply. Exhibit W-24 was got prepared from educated person. Exhibit W-3 bears his signature. He claims to be illiterate person. On Exhibit W-22, his name is appearing he has not signed on it. He has also deposed about documents, payments made under Exhibit W-7 to 21 names of persons receiving amount and their thump impressions are obtained.

- Identical affidavit is filed by Shri Ramcharan. Since 1982 to 2000, he and other claimants were doing work of water supply. They were supplying 100 CAVERS water per day. He completed 240 days continuous working in each of the year. Management shown workers as contractor on paper for denying benefits of regular employees. Documents Exhibit W-46 to 47( to 59) are proved by witness. Document Exhibit W-45, 46 were submitted to the office of Engineer for payment. That person submitting documents doesnot keep its copy with him. That he had submitted documents about supply of water. 3 CAVER water was supplied to each quarter. Work of watersupply was continued till pipe line was installed in the year 2000. He claims to be acquainted with Budhram and Lallan who were also doing work of supply of water like him. Payment was made after submitting bill for water supply. Evidence in cross examination of Lallan and Ramcharan is not challenged that name of one of the worker were shown as contractor. In document Exhibit W-7, Budhram is shown as contractor, nature of work water supply agreement dated 30-6-87. Similar details are given in Exhibit W-8 to 12, Budhram shown as contractor. In Exhibit W-13,14 – details of the water supply are given with gross amount payable. Name of Budhram contractor is mentioned. In document Exhibit W-15, payment sheet names of employees to whom amount was paid with their thump marks are appearing including name of Budhram- Exhibit W-5,16,17.Exhibit W-18 is office note in name of Lallu. Exhibit W-19 & 20 are notesheet for December 1985. In cross examination of witness of 1st party, claim that he received those documents from management. Argument are also advanced by Shri A.K.Shashi how documents of management are received by witness is not explained. How the documents are received by witness is not much material but material is whether the contents shown in the documents is correct or false. Management has not brought any evidence that contents of all those documents are false. Exhibit W-45,46 are copies of applications submitted by Ramcharan and others. Exhibit W-21 is application submitted to management for proceeding on strike. In document Exhibt W-24 to 47, payments made to the workers for water supply is shown with their thump marks. Names of workers are mentioned, it requires to be shortlisted from those documents to whom out of Shankar and 11, Lallan and 60, payment was made. As per Exhibit W-15, payments are shown to 16 labyours including Budhram, Ramkumar, Ram Sajivan, Lalloo, Chinsai, Rampratap and Dharasai. In Exhibit 16,17 also payment was shown to 16 water carriers. In Exhibit 18, amount Rs.73.60 paid to Lalloo watercarrier. Exhibit W-9,20 are notesheet regarding payment of water charges. In Exhibit W-46,47, 23, 24 names of water carriers are shown, name of Shankar is not appearing. The particulars of identification submitted wherein particulars of Shankar are not found.
- 10. Evidence of management's witness Paritosh Mitra on affidavit says he was posted as Executive Engineer at Ramnagar Sub Area during 1997 to May 2000. His affidavit is further devoted about objection raised w.r.t. claimants at Paper No.21. On that claim R/120/94 is decided. That present dispute is raised by HMS Union 3<sup>rd</sup> dispute was raised in R/73/96 by INTUC. That management used to get water through the suppliers. In his cross-examination, management witness says he was not posted in 1987. He was posted from September 97 to May 2000. He was unable to tell in how many groups, work of water carrier was done. He admits that the claimants related to dispute are called water carriers. They were supplying water to the houses by CAVER. The information to how many house water was supplied was given by personal department. Personal department was controlling water supplies as per the list. The claimants were supplying water at residence of officers. Claimants were also supplying water in office. He was unable to tell number of cavers water supplied at the respective places or quantity in litres of water supply. That Lallan was contractor. H was unable to tell who had made him contractor by calling tender, rate payment per CAVER was fixed. Accordingly payment was made. Supply of water was not fixed. He was unable to tell number of water carriers. He was unable to

tell that 20-25 water cavers were engaged per day for supply of water. He denies that the claimants were shown as contractor for payment of wages. The establishment of  $2^{nd}$  party is not registered under CL(R&A)Act.

11. Union representative Shri Nathulal Pandey on the point relies on ratio held in case between—

Dharangadhra Chemical Works Ltd and State of Saurashtra and others reported in AIR-1957-SC-477. Their Lordship dealing with workman under Section 2(s) laid down test to determine whether a particular person is a workman or an independent contractor. Distinction between contract of service and contract for service . if a question of fact only agarias employed by a salt manufacturing company held on the facts of the case, workmen within the meaning of Section2(s) of ID Act. Their lordship held a person who agrees himself to work and does so work and is therefore a workman doesnot cease to be such by reason merely of the fact that he gets other persons to work along with him and that these persons are controlled and paid by him. If he has then he is a workman and the fact that he takes assistance from other persons would not affect his status.

In case between Steel Authority of India Ltd versus National Union Water Front Workers and others reported in 2001(7)SCC-1. Their Lordship dealing with Contract Labour (R&A)Act 970 Section 2(1)(a), 2(1)(e) dealing with master and servant. Their Lordship held Principal employer and contract labour – where a workman is hired through a contractor held master and servant relationship exists. But where a workman is hired on or in connection with the work of a establishment to produce a given result or the contractor supplies workmen for any work of the establishment, unless the contractor is a mere camouflage, the workman cannot be treated as an employee of the principal employer.

In present case, though 2<sup>nd</sup> party has alleged that claimants were engaged through contractor, any document about contract between principal employer and contractor is not produced. In documents Exhibit W-7 to 15, name of Budhram and Lallan are shown as contractors. In same documents, name of Budhram and Lallan are shown as workers to whome payment was made. Considering ratio held in AIR-1957-SC-477, claimants are covered as workman under Section2(s). Any documents about contract between management and contractor are not produced. Establishment of 2<sup>nd</sup> party is not registered under CL(R&A)Act . Contractor's licence is also not produced.

In case between Bharat Heavy Electricals Ltd versus State of UP and others reported in 2003(6)SCC-528. Their Lordship held on facts that Respondents 6 to 9 were engaged as gardeners, malis to sweep, clean, maintain and look after the lawns and parks inside factory premises and campus of the residential colony of the appellant. Considering the control engaged workman through intermediary but maintaining record of attendance and supervising their work through own employees.

In case between Secretary, HSEB versus Suresh and others reported in 999(3)SCC-601. Their lordship considering in order to keep such plants and stations clean, the Board awarding contracts to contractors. Under such a contract, one of the contractors was required to engage a certain minimum number of Safai Karamcharis for cleaning the main plant building at Panipat for a period of one year. Their Lordship applying doctrine of lifting of veil on facts safai karamcharis engaged through the so called contractor for keeping the main plant building of Haryana State Electricity Board at Panipat clearn held were employees of the Board.

12. Shri A.K.Shashi for management on the point relies on ratio held in case between—

Deenanath and others versus National Fertilisers Ltd and others reported in 1992(1)SCC-695. Their lordship dealing with Section 7 & 12 of CL(R&A)Act 1970 held violation of penal provisions under Section 23,25 of the Act.

Reliance is placed on ratio held in case between Bengal Nagpur Mills versus Bharat Lal and another reported in 2011(10SCC-635. Their Lordship dealing with the point whether agreement between appellant and respondent was sham held it was for employee to aver and prove that he was paid salary directly by principal employer and not by contractor. Ist party respondent did not discharge he was working under direct control of principal employer merely because same officer of Principal employer gave some instructions to employee of contractor, that would not make him employee of principal employer.

Ratio cannot be applied to present case as Ist party in Para 4 of his statement of claim, Ist party has pleaded that there was no contractor. Management has shown one of the workman as contractor. In documents Exhibit W-7 to 15, name of Budhram and Lallan are shown as contractor. Their names are also appearing about payment of water charges made to them.

13. Evidence of witnesses of Ist party is on the point that payment was made to them after submitting bill by management is not shattered. Evidence of management's witness is not cogent w.r.t. payment of water charges to the contractors. Documents of contract between employer employee are not produced by the management. Considering ratio held in AIR-1957-I-LLJ-477 and evidence of Ist party corroborated by documents, it is clear that claimants were

engaged by management for work of water supply even without calling tenders or executing contracts are the workmen of the management. For reasons discussed above, I record my finding in Point No.2 that claimants Shankar and 11 as per order of Reference dated 19-3-93 in this reference are employees engaged by management.

14. Point No.3- The term of reference pertains to in original order of reference dt. 19-3-93 as well as corrigendum dated 21-1-02 not regularizing claimants shown in the list are engaged by contractor is legal and justified. Learned counsel for 2<sup>nd</sup> party Shri A.K.Shashi submits that term of reference shows that claimants were engaged by contractor. The term of reference doesnot include legality of termination of services. The pleadings as well as evidence of Ist party and management witness shows that the workman were discontinued in the year 2000 after pipeline was installed. Shri A.K.Shashi submits that services of claimants were terminated long back. Tribunal cannot decide the points beyond the terms of reference. In support of above argument, reliance is placed on ratio held in—

Oshiar Prasad ad others versus employers in relation to management of Sudamdih Coal Washery of BCCL, Dhanbad, Jharkhand reported in 2015(I)-LLJ-513(SC). In above case, their Lordship held that since appellant's services discontinued and retrenched long back, question of absorption or regularization did not arise. In para 26 of the judgment, their Lordship discussed when services of appellant and reference was made were terminated long back prior to making of reference.. these workers were therefore not in the services of either contractor or BCCL on date of making reference in question. Therefore there was no industrial dispute that existed or apprehended in relation to appellants absorption in services of BCCL on date of making reference.

The facts of present case are different. As per pleadings between parties, workmen were engaged for water supply on rate basis in 1982. They were stopped from work in the year 2000. Reference is made in the year 1993. During pendency of reference proceeding, their services were discontinued. Ist party submits that discontinuation of service of the workman is in violation of Section 33(2)(a) of ID Act. As services of the claimants were discontinued during pendency of reference, ratio cannot be applied to case at hand. evidence of Ist party that all claimants were continuously working from 1982 as water supplier on rate basis is not shattered.

15. Learned counsel for management Shri A.K.Shashi submits that burden of proving continuous working more than 240 days is not discharged by claimants. On above point, reliance is placed on ratio held in case between-

State of MP and others versus Arjunlal Rajak reported in 2006(2)SCC-711. Their Lordship dealing with violation of Section 25-F of ID Act held ordinarily workman can be directed to reinstate without or with backwages but when a project or scheme or an officie itself is abolished, relief by way of reinstatement is not granted. On facts given that services of respondent were terminated on ground that production unit in which he was working had been closed, interest of justice would be subserved if monetary compensation of Rs.10,000 is granted to him. Their Lordship dealing with Section 25 B,F held ownus to prove 240 days continuous service lies on workman.

In present case, evidence of Ist party that they were continuously working from 1982 to 2000 as water carrier is not shattered in their cross examination evidence of witnesses of Ist party is corroborated by documentary evidence W-7 to W-15.

16. Learned counsel for 2<sup>nd</sup> party Shri A.K.Shashi also argued that part time employee doesnot hold the right to the post. He is not entitled to reinstatement. Scheme is closed. Reinstatement cannot be allowed. Compensation would be adequate. On above point Shri A.K.shashi relies on ratio held in case between—

Secretary, State of Karnataka versus Umadevi reported in AIR-2006-SC-806. Their Lordship dealing with claim of daily wager temporary contractual employees appointed in violation of constitutional scheme-court would not extend to directing regularization to be treated as permanence in service.

In Para 44 of the judgment. Their Lordship dealing with the point discussed one aspect needs to be clarified. There may be cases where irregular appointments not legal appointments as explained in S.V.Narayanappa, R.N.Nanjundappa and B.N.Nagrajan supra and referred in para 15 about duly qualified persons in duly sanctioned vacant posts might have been made and the employees have continued to work for ten years or more but without the intervention or orders of courts or of tribunals.

In present case, claimants were working as water carriers on rate basis since 1982 to 2000. Therefore their claim for regularization deserves to be considered in light of observance made in Para 44 of the judgment.

Shri A.K.Shashi submits that similar claim of water suppliers was decided by Hon'ble High Court of Jharkhand reported in 2010(2)LLN 184 in case between employees in relation to management of D Ropeways of Bharat coking Coal Ltd versus their workmen. Their Lordship considering that respondents were supplying drinking water through bhar at the rate of 50 paise per bhar to the residents of colony itself was closed and these workmen were disengaged. Order of Tribunal appears to be based on the fact that these people were working

for a number of years and therefore the job is of permanent nature and they were under the control and supervision of the management. Such finding of the Tribunal cannot be sustained at all.

- 17. Ist party on the point submits that identical claim of water carriers was allowed in R/120/94 was upheld by Hon'ble High Court, Jabalpur. Copy of the judgment is submitted alongwith bunch of citations. I donot find reason to defer with the judgment by Hon'ble High Court, SLP was withdrawn. Learned counsel for 2<sup>nd</sup> party Shri A.K.Shashi submits that evidence in R/120/94 is different and therefore said judgment cannot be followed. I agree with above submissions. The matter needs to be decided considering evidence in the case. However evidence of witnesses of 1st party that they were continuously working from 1982 to 2000 is cogent. Besides document about payment of water charge are produced.
- 18. Shri A.K. Shashi further argued that part time employees are not entitled for regularization. He relies on ratio held in case between—

Post Master General, Kolkata versus Tutu Das Dutta reported in 2007-5-SCC-317. Their Lordship dealing with irregular appointees. Circular directing regularization in contravention of statutory rules held no regularization is permissible in exercise of executive power under Article 162 of the constitution grant of regularization to similarly situated person-held same doesnot create an entitlement to regularization on ground of equal treatment under Article 14 of the constitution.

In case between Divisional Forest Officer, Hisar versus Bharat Singh and another reported in 2009-III-LLJ-268 (P&H). their Lordship dealing with Article 14,6, Section 25-F of ID Act held daily wager without following Article 14,16 not entitled to reinstatement with backwages. Even if he completed 240 days continuous service.

In case between Indian Drugs and Pharmaceuticals ltd versus their workmen in 2007()SCC-408. Their Lordship held Court cannot create post were none exists nor issue directions to absorb or regularize temporary employees nor continue them in service nor pay them salaries of regular employees as these are purely executive or legislative functions. Supreme Court cannot arrogate to itself powers of the executive or legislature judicial activism in this connection deprecated.

Workmen were continuously working on rate basis from 1982 till 2000, their claim is squarely covered by Para 44 of the judgment in Secretary, State of Karnataka versus Umadevi as they were working more than 10 years. Ratio held in the case cannot be beneficially applied.

In case between Surendra Nagar District Panchayat versus Dahyabhai Amarsingh reported in 2005(8)SCC-750. Their Lordship dealing with adverse inference held courts below have wrongly drawn said adverse inference. Scope of enquiry before Labour Court was confined to only 2 months preceding the date of termination to decide question of continuation of service for purpose of Section 25-F. that facts must be proved to claim relief under Section 25-F. that their existed relationship of employer and employee. He is workman under Section 2(s) of ID Act. Establishment in which he is employed is an industry. He has put not less than 240 days continuous service.

In present case, evidence of witnesses of Ist party is cogent that claimants had worked more than 240 days. Claimants were working as water carrier are covered as workman under Section 2(s) of IDAct.

Ratio held in case of MP State Agro Industries Development versus S.C.Pandey reported in 2006(2)SCC-716. Their Lordship dealing with casual labour/ temporary employee. The status and right of regularization held if any on completion of 240 days continuous service, that by itself would not confer any legal right upon him to be regularized in service.

In present case, reference is whether all claimants were employees engaged by contractor or whether employees of management and entitled to wages and other benefits as regular employees, whether denial of regularization is legal. Workman worked as water carrier on rate basis since 1982 to 2000. Ratio cannot be applied to case at hand

On the point of regularization Shri A.K.Shashi relies on ratio held in case between Suresh Kumar Verma versus State of MP and others reported in 2012(34)FLR-904. In above cited case, petitioners were appointed in department and made to work as Assistant Grade III,. The facts are not comparable to present case.

19. Union Representative Shri Nathulal Pandey on the point of regularization of claimants relies on ratio held in case between—

ONGC Ltd versus Petroleum Coal Labour Union and others reported in 2015-II-LLJ-257(SC). Their Lordship considering all workmen got qualifications required for regularization and employed by corporation even prior

to 985 in posts through various irregular means. Tribunal got every power to adjudicate industrial dispute and impose upon employer new obligations to strike balance and secure industrial peace and harmony. Tribunal rightly passed award directing corporation to regularize services of concerned workmen. In Para 29 of the judgment, their Lordship considered provisions of certified standing orders after they have rendered more than 240 days of service in a calendar year from the date of memorandum of appointment issued to each one of the concerned workmen in the year 1988. The policy decision to appoint CISF personnel to the security post is on deputation basis and cannot be called appointment per se. Whereas the concerned workmen have acquired their right to be regularized under the provision of Clause 2(ii) of Certified Standing Orders for contingent employees of the Oil and Natural Gas Commission.

The facts of present case are not comparable. There is no certified standing orders. However the Ist party Union produced copy of NCWA-I. Para 3.8.0 dealing with other piece rated workers provide in respect of other piece rated workers for whom no specific workload and group wage has been fixed, it is agreed that their wage rates will be revised by giving them the same percentage increase in the group wages of the relevant group. Whereas there is no such group wage the same percentage of increase as in the case of miners/ loaders will be given subject to a minimum increase of Rs.61.88 in basic wage per day. Joint Committee at the company level will decide the work load and wages in respect of slurry/ pond piece rated workers.

The term of reference pertains to denial of wages on par with regular employee is squarely covered by above provisions in NCWA.

The ratio held in the case between General Manager, Oil and Natural Gas Commission, Silchar versus its Union reported in 2008(12)SCC-275. Their Lordship dealing with section 10(1) & 15- reference to Industrial Tribunal. Their Lordship held reference made by appropriate Government describing workman as contractual workers whereas real dispute between parties was whether they were employees of appellant organization or contract labour. Industrial Tribunal rendering its findings on this issue and concluding that workmen were employees of appellant. Objection rejected that Tribunal travelled beyond the reference.

Ratio held in case between Steel Authority of India Ltd and others versus National Union Water Front Workers and others reported in 2001(7)-SCC-1. In Para 125(5), concluded that if contract is found to be not genuine but a mere camouflage, the so called contract labor will have to be treated as employees of the principal employer who shall be directed to regularize the services of the contract labour in the establishment concerned subject to the conditions.

Ratio held in Para 125(5) supports claim of Ist party claimants for regularization the contractor shown at time of payment was mere camouflage. Claimants are therefore entitled for regularization. Shri Nathulal Pandey Union Representative submits that claimants are disengaged during pendency of reference in the year 2000 violating Section 33 of ID Act. On the point, ratio held in the case between Jaipur Zila Sahakari Bhoomi Vikas Bank Ltd versus Ram Gopal Sharma and others reported in 2002(2)SCC-244. Their Lordship dealing with violation of Section 33(2)(b) proviso non-approval of the order of dismissal held in such circumstances employee continuous to be in service as if the order of discharge or dismissal was never passed.

- 20. The discontinuation of services of water supply of claimants in the matter is deemed to be never passed renders the order of discharge or dismissal void- in operative. Ratio held in above case cannot be applied as work of water supply was stopped in the year 2000 after pipe line was installed.
- 21. Considering ratio held in above cited case, claim for regularization of workman / termination or discharge of service cannot be rejected. During course of argument and note submitted by Pandey, he submitted that 9 workers died during pendency. As per original order of reference, dispute pertaining to Shankar and 11 others has been referred. Chart of employees connected with R/120/94, 70/93, 73/96 is submitted at Page 127. While dealing with Point No.1, I recorded finding that Union is competent to represent only claim of Shankar and 11 others in present reference. R/120/94 was allowed in favour of workmen, said judgment has been upheld by Hon'ble High Court. Their claim cannot be decided in present reference. In R/73/96, dispute raised by KMS (UTUC) in respect of 48 workers, Union as per order dated 19-7-11 has not adduced any evidence about its competency to prosecute claim w.r.t. R/73/96. Thus only claimants 11 workers as per order dated 19-7-93 in present reference are found employees of the management. They are entitled to wages paid similar to regular employees. Non-regularisation of all those 12 claimants by management is illegal considering Para 44 of AIR-2006-SC-806., both parties have submitted copies of award in different cases. Awards passed in other cases cannot be applied as each matter requires to be decided considering evidence on record. Claimants Baalkaran, Domari, Ramakant Singh, Dhaniram, Patar Sai, Sukheram, Ujitram, Jaikaran Singh and Budhram shown in the list with original reference died during pendency. The benefits under award would extend till their death. For above reasons I record my finding that action of the management is illegal.

- 22. In the result, award is passed as under:
  - (1) Shri Shankar and 11 others in present reference shown in the list with order of reference are employees of the management. Denial of paying wages similar to that of regular employees and not regularizing their services by management is illegal.
  - (2) 2<sup>nd</sup> party is directed to pay wages for regular employees Category-I NCWA to claimants for their working as water carrier and allowing deemed status of regular employees for the period of their engagement as water carriers.
  - (3) The difference of wages be paid to 11 workers named below as shown in order of reference dated 19-3-93 within period of 3 months.

    - (3) Balkaran S/o Mandal

  - (4) Amount as per above order shall be paid to workman within 30 days from the date of notification of award. In case of default, amount shall carry 9 % interest per annum from the date of award till its realization.
